What this means for you:

If your plan requires you to use a network provider, you won't be able to use this provider starting 04/01/2024.

If your plan allows you to use out of network providers, you can still use this provider. But your out-of-pocket costs may be higher.

If this provider is your primary care physician (PCP), and your plan requires you to have a PCP, we may select one for you. If we do, you will get a new id card. Need to change your PCP? Give us a call.

If you need help with how this change impacts you, call us. We can help explain it. Call Member Services at 1-888-267-2637 (TTV: 711). We are available 8 a.m. to 9 p.m. EST, Monday through Friday.

How to continue your care
Are you in active treatment for a chronic or acute medical condition? You may qualify for "continuation of care." This means we may cover you at the in-network rate if you're already in a treatment course with this provider.
You and your doctor must complete our Transition of Coverage Request form and send it to us no later than 90 days after 04/01/2024. You can get a copy of the form by calling us.

If you need help finding a network provider, call us. Or visit www.aetnamedicare.com/findprovider to access our online directory.

If you want a Provider Directory mailed to you, go to www.aetnamedicare.com/requestdirectory. Or call us. You’ll need to provide your full name and member ID to submit a request for a directory.

If you want to change Medicare Advantage plans
There are three situations where you can change Medicare Advantage Plans:

- **Medicare Advantage Open Enrollment Period** — This period takes place from January 1 through March 31 annually. It allows individuals enrolled in a Medicare Advantage plan to make a one-time election. They can go to either another Medicare Advantage plan with or without prescription drug coverage or Original Medicare.

- **Annual Enrollment Period** — Anyone eligible for Medicare can make changes to their coverage and enroll in a Medicare plan each year, from October 15 to December 7.

- **Special Election Period (SEP)** — This enables a switch or drop of a Medicare Advantage plan outside the basic enrollment periods. To qualify for an SEP, certain events must occur that require you to change your coverage. You will need to contact Medicare directly at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week for information and to see if you qualify. TTY users should call 1-877-486-2048.

Participating health care providers are independent contractors and are neither agents nor employees of Aetna. See Evidence of Coverage for complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Out-of-network/non-contract providers are under no obligation to treat Aetna members, except in emergency.
