**Subject:** PHR 1 MMR Vaccine to SPPHD

Today PHR 1 will be transferring 100 MMR doses to SPPHD. Source is ASN, but as a public health emergency response can be used as needed.

PHR 1 has 100 MMR doses sourced as TVFC hopefully arriving in Hereford today.

PHR 1 has 100 "317" MMR doses requested, pending approval from Austin.

PHR 1 has ~ 33 ASN MMR doses and ~98 TVFC doses in regional offices.
